The undeniable Nazism and holocaust in our age

If it is true that seeing is believing, only blinds won’t see the following and agree that we are facing barbarians before whom Nazis are merely boy scouts. The scope, the extent, the span, ‘legitimacy’ and the support extended to modern day holocaust pale crimes of nazis by comparison.

Equating the 21st century alliance of neocons, corporate terrorists and Zionists totalitarian - for furthering the goals of the empire - with Nazis and Naziism is misleading. Unlike hitler’s racist philosophy, what we see in the pictures below is the result of a combination of factors and forces which has lead to a blood sucking monstrous forces for which human history has no parallel for comparison.

See the following and let us know if you fail to believe your eyes or still believe that the crimes you witness today are any degree less than the combined crimes of all the barbarians of the past.

Whether we like it or not, UN, Security Council, and The International Court of Justice have outlived their usefulness. These organisations have no teeth, and their resolutions are only meant to terrorize weak and poor nations, or to enforce sanctions on so called ISLAMIC nations. Their meetings are slow to materialise when Islamic nations are involved, and their resolutions are either Vetoed or ignored with impunity by America, Israel and/or UK. The sooner Islamic nations pull out of these organisations the better.

Les bourreaux étaient des victimes hier. La preuve étant que l’humain est le même et que dès qu’il est en position dominante il agit en bourreau... le mal n’a ni religion, ni couleur de peau, ni culture... Et on continue à excuser l’inexcusable... au nom de tout et de n’importe quoi... le monde est dégoutant...

Thank you dear Editor DW. Stellar examination of the grotesque reality once again.

I would like to point out one thing however.

Yes the pious Jews in Israel are using the Nazi tactics no differently than "Gott Mit Uns"

http://www.nobeliefs.com/Hitler1.htm

And just like you have eloquently expressed above, and just as George Galloway reminded the world yet once again in his recent speech

http://www.youtube.com/watch?v=1NwIODEkRLY

However, here is an advance passage from a new forthcoming report from Project Humanbeingsfirst tentatively titled: No, No – Not the ‘New Nazis’

begin excerpt

In reference to the short article by Alan Hart “The New Nazis” in which he described the mechanics of a possible “Zionist Holocaust” upon the Palestinians, reaching the somewhat belated realization that it was high time that he called the Israelis by their real nom de guerre, “the New Nazis”, I would say he is sadly mistaken in his choice of labels. The Israeli Jews are not the New Nazis. It is convenient to associate them to something abhorrent but irrelevant. What relevance does Nazism have today? None whatsoever. But the more direct relevance to the Settling of the United States of America is not to be drawn – for that might be a wee bit too relevant and uncomfortable.

President George W. Bush for once had truthfully blurted out the grotesque reality-space while on the 60th birthday-bash visit to Zionistan “Our two nations both faced great challenges when they were founded. And our two nations have both relied on the same principles to help us succeed.”

The core-principle being, the outright elimination of indigenous peoples, wherein, “the very same army that had recently conquered and occupied the Southern states – led by Generals Grant, Sherman, and Sheridan – mass murdered Indian men, women, and children during the winters, when families would be together, with massive Gatling gun and artillery fire. In a letter to his son a year before he died (1889), Sherman expressed his regret that his armies did not murder every last Indian in North America.”

The Pious self-righteous Jews of Israel, atheist or orthodox, don’t intend to make the ‘Sherman mistake’ in Palestine! They have noted it time and again that “We declare openly that the Arabs have no right to settle on even one centimeter of Eretz Israel ... Force is all they do or ever will understand. We shall use the ultimate force until the Palestinians come crawling to us on all fours.”

But the Jews’ narrative of Holocaust is what remains the most profound and sacred obsession of the ‘civilized’ West – a perennial “mystery whose parallel may only be the one of Sinai when something was revealed.”. And for their detractors, it is merely the New Nazism – when the tortuous reality is located in Washington, in London, in the Pentagon, in EU, and in the massive control of world’s financial systems through the international banksters that is held in the hands of this new regime.
when the tortuous reality is located in Washington, in London, in the
Pentagon, in EU, and in the massive control of world’s financial
systems through the international banksters that is held in the hands
of world Jewry!
So isn’t it rather convenient not to draw upon any of these associations
and linkages of support for Israel which is what, in fact, props up that
pariah state in Palestine? I must admit I am sometimes guilty of
sugar-coating the Zionists as the ‘New Nazis’ myself. But that’s an
emotional response based on years of watching Hollywood World War
II movies where such labeling of a suitably demonized foe simply falls
into the consciousness for associating anything grotesque. A more
intellectually honest and empirically accurate depiction of Zionism
however, and its power base among the world Jewry, renders an
entirely new meaning to the now hackneyed term ‘banality of evil’.
The support network of Israel is systemic enough, and its aspirations
endemic enough, to make Hannah Arendt turn in her grave.
end excerpt

IMHO, when we equate the Zionists with Nazis, we begin the discourse
too late, and end up conceding the entire pie to the antagonists.
We must begin the Palestine discourse just like the late Jewish scholar,
Tanya Reinhart did. Here is a short excerpt from page 1 of her book
“How to end the war of 1948”
“The state of Israel founded in 1948 following a war which the Israelis
call the War of Independence, and the Palestinians call the Nakba – the
catastrophe. A haunted, persecuted people sought to find a shelter and
a state for itself, and did so at a horrible price to another people.
During the war of 1948, more than half of the Palestinian population at
the time – 1,380,000 people – were driven off their homeland by the
Israeli army. Though Israel officially claimed that a majority of
refugees fled and were not expelled, it still refused to allow them to
return, as a UN resolution demanded shortly after 1948 war. Thus, the
Israeli land was obtained through ethnic cleansing of the indigenous
Palestinian inhabitants. This is not a process unfamiliar in history.
Israel’s actions remain incomparable to the massive ethnic cleansing
of Native Americans by the settlers and government of the United
states.”
And that, is the heart of the matter. The tactics will range, from
Nazism, to more finessed ones form Oslo to the multi-nefarious Peace
Processes in which “take 10 and give back one is the operative
principle of peace”. Please see the Project Humanbeingsfirst report
“The endless trail of red herrings“ to appreciate the toolkit that Israel,
and its devilishly resourceful exponents, bring to bear across the entire
spectrum of deception and power-incantation space
http://humanbeingsfirst.blogspot.com/2007/03/endless-
red-herrings.html
The above is a must read report in order to understand that Zionism is
not Nazism. It is, quintessentially, and primarily, the founding of the
“Zion that will light up all the world”.
The enemy is not the tanks and F-16s and phosphorous bombs and
barbed wires and 16 feet Iron walls, as genocidal as they are.
But the real nemesis and challenges are what’s noted in this Project Humanbeingsfirst Open Letter to Palestinian Intellectuals

http://humanbeingsfirst.blogspot.com/2008/06/letter-to-palestinian-intellectuals.html

Jews are not Nazis. They are, and have been, using the Nazi tactics. They are, and also have been, using other more devastating diplomatic tactics, extortion tactics, and milking their own abhorrent Holocaust tactics, for the one final end purpose after which peace on their terms will prevail in the world.

Thank you.
